Leagues & Golf

GOLF

The City-owned Santa Clara Golf & Tennis Club, 5155 Stars & Stripes Drive, closed in October 2019. The closure is due to the construction of Related Santa Clara, a $6.5 billion multi-phased, mixed use development and the biggest project in the history of Santa Clara. Golf and tennis operations ended on Oct. 13, in preparation for the development project. With no other 18-hole public golf courses located within Santa Clara, the City has explored options for golf enthusiasts at nearby public facilities. The City of Santa Clara has negotiated an agreement with the City of Sunnyvale that will extend Sunnyvale’s favorable rates at Sunnyvale Golf Course to Santa Clara residents.

Residents of the City of Santa Clara are now able to visit Sunnyvale Golf courses and receive resident rates with proper identification. Sunnyvale Golf, located at 605 Macara Ave, Sunnyvale, CA 94085, features an 18-hole course, pro-shop and full-service food concession, and Sunken Gardens Golf Course, located at 1010 S Wolfe Rd, Sunnyvale, CA 94086, features a 9-hole executive course with an 18-stall driving range, existing men’s and women’s clubs.

In Sept. 2013, Council adopted a goal to enhance community sports and recreational assets. Since then Capital Improvement Project funding including developer contributions, grants, and donations have been directed toward improvements at several parks. Updates on park projects can be found online at www.SantaClaraCA.gov/ParkProjects. The parks and playgrounds that will be enhanced in 2020 include:

**Machado Park Playground Rehabilitation**  

**Agnew Park Playground Rehabilitation**  
The focus of the Agnew Park Playground Rehabilitation project is to improve the playground. After community input, including a community meeting and on-line survey, and Parks & Recreation Commission recommendations, City Council approved the schematic design in July 2018. Agnew Park is located at 2150 Agnew Road. Construction is expected to start in Summer 2020.

**Fuller Street Park Phase II**  
Fuller Street Park opened in 1999, with a second unfunded phase to include a sport court. In 2003, a conceptual design was developed, and the project was identified as a “future unfunded priority.” In 2017, utilizing Mitigation Fee Act funds from new housing development, Parks & Recreation have begun Phase II of Fuller Street Park. Fuller Street Park is located at 61 Fuller Street. Construction is expected to start in Summer 2020.

**Montague Park Rehabilitation**  
Between February 2014 and September 2018, Parks & Recreation conducted robust community outreach and engagement for the enhancement of Montague Park Playground through online surveys and input meetings. Improvements include new playgrounds, a park loop, enhanced landscaping, preservation of the tennis courts, and open meadow. Montague Park is located at 3750 De La Cruz Boulevard. Construction is expected to start in Fall 2020.

Everyone counts.
The census counts every person living in the United States once, only once, and in the right place.

It’s about fair representation.
Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.

2020 will be easier than ever.
In 2020, you will be able to respond to the census online.

Your privacy is protected.
In 2020, you will be able to respond to the census online.

It’s about $675 billion.
The distribution of more than $675 billion in federal funds, grants, and support to states, counties, and communities are based on census data.
That money is spent on schools, hospitals, roads, public works, and other vital programs.

Taking part is your civic duty.
Completing the census is mandatory: it’s a way to participate in our democracy and say “I COUNT!”
