

City Charter Section 1310

Sec. 1310 Contracts on public works.

Every contract involving an expenditure of more than one thousand dollars (\$1,000.00) for the construction or improvement, (excluding maintenance and repair), of public buildings, works, streets, drains, sewers, utilities, parks and playgrounds shall be let to the lowest responsible bidder after notice by publication in an official newspaper by one or more insertions, the first of which shall be at least ten days before the time for opening bids.

The City Council may reject any and all bids presented and may re-advertise in its discretion.

The City Council, without advertising for bids, or after rejecting bids, or if no bids are received, may declare and determine that, in its opinion, the work in question may be performed better or more economically by the City with its own employees, and after the adoption of a resolution to this effect by at least four affirmative votes, it may proceed to have said work done in the manner stated, without further observance of the provisions of this section. Such contracts likewise may be let without advertising for bids, if such work shall be deemed by the City Council to be of urgent necessity for the preservation of life, health or property, and shall be authorized by motion passed by at least four affirmative votes and containing a declaration of the facts constituting such urgency.
