

IMPORTANT JUNE 5 ELECTION INFORMATION

Measure A is the only local ballot measure on your June 5 ballot. If approved, Measure A would update the way that Santa Clara residents elect local officeholders.

If approved, Measure A would establish two voting districts, with registered voters electing three Council members per district.

- You may find the District Boundary Map on the City's website at **www.santaclaraca.gov/MeasureA**.
- Candidates seeking election to the City Council must run in districts where they live. Only voters residing in the district can vote on candidates from that district.
- The Mayor, City Clerk, and Chief of Police would remain elected Citywide.

If approved, Measure A would also establish a voting process known as "Ranked Choice Voting" for all candidates for office.

- Ranked Choice Voting allows voters the opportunity to rank candidates in order of preference. Both the number of votes and ranked preferences determine the winner.
- Elections for Mayor, City Clerk, and Chief of Police would also use Ranked Choice Voting, but would remain elected Citywide.
