2020 Citywide Public Records Requests - OPEN				
N20-107	2/25/2020	Jennifer Wadsworth <i>(Metro News)</i>	<p>This is a public records request to determine whether there have been complaints or charges related to misconduct by any Santa Clara employee against City Attorney Brian Doyle since the City hired him as City Attorney.</p> <ul style="list-style-type: none"> - We request copies of all writings, including investigation reports, irrespective of whether the charges were sustained or whether discipline was imposed. - We further request witness statements and related matters to be disclosed as well as any complaints or charges of misconduct reported to the City by any Santa Clara employee involving Mr. Doyle. - If the City has used an investigator, whether a lawyer or non-lawyer, we request a copy of that person's or firm's contract with the City and billing invoices relating to any such complaints or charges. <p>We note that Mr. Doyle is a public official in an important and highly visible position who, accordingly, has a significantly reduced expectation of privacy. If a complaint is well-founded and there is reasonable cause to believe the complaint or charge of misconduct is well-founded, then the Public Records Act requires its disclosure. Neither the imposition of discipline nor a finding that the charge is true is a prerequisite to disclosure. The records relating to misconduct must be disclosed even if found to be not true if there is reasonable cause to believe the complaint or charge of misconduct is well-founded.</p>	5
