This is a summary of the City of Santa Clara's latest response efforts along with impacts to local events and City programs/services due to the coronavirus (COVID-19) public health emergency.

Current Developments

- The City is receiving increased reports of discarded bulky items, such as mattresses, being left on public streets as this is close to the time that the Annual Cleanup Campaign normally would take place in Santa Clara.
 - To report illegal dumping, call the Department of Public Works at 408-615-3080 (Monday-Friday, 8 a.m. to 4 p.m.) or 408-615-5580 (after 4 p.m. and on weekends).
 - This year's Annual Cleanup Campaign, originally planned for April 27-May 22, will not take place due to the COVID-19 pandemic.
 - Staff is continuing to evaluate whether the four-week program can be rescheduled for August or September this year.
- Several Santa Clara County-based organizations are offering free and low-cost online versions of concerts and shows to area residents. Also, consider donating to these arts and cultural organizations, which are facing financial impacts from the coronavirus pandemic.
 - Watch local art performances online:
 - [City Lights Theater Company](#) presents a preview performance of the world premiere of "Coded," written and directed by Kirsten Brandt, about female game designers. [Viewing](#) is free, but the company is asking for pay-what-you-can donations.
