This is a summary of the City of Santa Clara's latest response efforts along with impacts to local events and City programs/services due to the coronavirus (COVID-19) public health emergency.

### Current Developments

- Even though it's hot outside, the weather does not change the need for wearing face coverings when in public.
  - Public health experts recommend face coverings should fit snug but not too tight.
    - Cloth face coverings should not be worn when they become damp or wet as they lose their effectiveness.
    - Carry extras when going out for essential activities.
  - The [County of Santa Clara's Shelter-in-Place order](#) requires the wearing of face coverings when at a business, even if it's an outdoor business.
  - To encourage the community to wear face coverings, share your selfie while wearing one by posting your photo to social media with the hashtag #SantaClaraHasItCovered.
  - More details about wearing face coverings to slow the spread of COVID-19 are available at [SantaClaraCa.gov/FaceCoverings](https://SantaClaraCa.gov/FaceCoverings).
- The County of Santa Clara continues to seek volunteers to help with contact tracing.
  - County officials state contact tracing is designed to identify people who have COVID-19 or who have been exposed to COVID-19.
  - Volunteers can conduct contact tracing from home by phone or with an internet connection.

## **City Programs and Services**

### **Santa Clara Tennis Center at Central Park Reopens**

- In accordance with the [County of Santa Clara's Shelter-in-Place order](#), the Santa Clara Tennis Center is back open.
- There are new rules in place that comply with the public health order, including each court being limited to four persons of the same household or living unit.
- Reservations are required: for phone reservations, call 408-247-0178 or access online reservations at [LifetimeActivities.com](http://LifetimeActivities.com). Please call or reserve online prior to arriving at the tennis park as there are no in-person reservations.
- Neighborhood tennis courts are also open on a first-come, first serve basis.
- The public should bring their own tennis equipment as well as hand sanitizer, face covering and supplies to comply with COVID-19 health and safety protocols and sanitize any high touch surfaces used such as gates and benches.
- For more information about tennis court use rules during the pandemic, view the [Tennis Court Regulations](#).
