Information for City of Santa Clara Ballot Measure November 3, 2020 Special Election

Resolution Calling for Election

On July 14, 2020, the City of Santa Clara adopted a resolution requesting the special election for November 3, 2020 to consider a ballot measure be consolidated with the Presidential General Election held on the same date. The resolution contained the ballot questions of no more than 75 words, the full text of the proposed measure, and set dates and priorities for the impartial analyses, arguments and rebuttal arguments.

Impartial Analysis

Impartial analyses are prepared by the City Attorney. The City Clerk's Office will forward the text of the final measure to the City Attorney for preparation of the impartial analyses. The analyses shall include a statement indicating whether the measure was placed on the ballot by a petition signed by the requisite number of voters or by the governing body of the district (Elections Code Sections 9313 and 9500). The analyses will be returned directly to City Clerk's Office by Friday, August 7, 2020 at 5:00 PM and provided to the Registrar of Voters to be printed in the County Voter Information Guide (CVIG).

Arguments

Arguments for and against the measures may be submitted pursuant to Elections Code Sections 9501 and 9162. The legislative body of the district or any member or members of the legislative body, or a principal officer of a bona fide association of citizens, or any individual voter who is eligible to vote on the measure, or any combination of such voters and associations may author a written argument in favor or against any measure not to exceed 300 words in length. So, any person signing an argument must have in their title appearing in the CVIG, one of the above criteria for that measure. Multiple titles in the title are acceptable as long as one title meets the criteria for that measure. Author names and titles must be TYPED on the forms.

In order to determine whether it qualifies as a bona fide association of citizens, an organization or association submitting an argument for or against a measure shall submit with its argument a copy of one of the following:

- 1) Its articles of incorporation, articles of association, partnership documents, bylaws, or similar documents.
- 2) Letterhead containing the name of the organization and its principal officers.
- 3) If the organization or association is a primarily formed committee established to support or oppose the measure, its statement of organization (FPPC Form 410) filed.

Arguments will be printed in the CVIG. The deadline for submission of arguments to the City Clerk's Office is Tuesday, July 28, 2020 at 5:00 PM.

If only one argument in favor or against any measure is submitted then the argument will be printed in the CVIG distributed to voters. If more than one argument in favor or more than one argument against any measure is submitted to the elections official, the elections official shall select one of the arguments in favor and one of the arguments against the measure for printing in the CVIG distributed to voters.

In selecting the argument the county elections official shall give preference and priority in the order named to the arguments of the following:

- 1) The governing board of the district or a member or members of the board.
- 2) The individual voter, or bona fide associations of citizens, or combination of voters and associations, who are the bona fide sponsors or proponents of the measure.
- 3) Bona fide associations of citizens.
- 4) Individual voters who are eligible to vote on the measure.

All arguments measures shall be accompanied by the following form statement, to be signed by each author of the argument:

“The undersigned author(s) of the argument **(in favor of or against)** ballot Measure **(letter)** at the **(title of election)** election for the **(name of jurisdiction)** to be held on **(election date)** hereby state that such argument is true and correct to the best of **(his/her/their)** knowledge and belief.”

Signature _____ Date _____

No more than five author signatures shall be accepted on an argument. Authors can sign on separate pages as long as the above required wording is on each page that an author signs. If you have authors sign on separate pages, number the names in the order they are to appear.

An author’s name will appear in the CVIG **exactly** as submitted on the signature line. Therefore, the “Print Name as Signature” line must match the signature line. Only the author’s name will be printed on the name line. Titles, such as, Mr., Mrs., Dr., M.B.A., etc. may be included on the title line. Again, we will print the author’s name and title **exactly** as submitted, therefore, you may want to spell out abbreviated words and add proper punctuation. Author names and titles must be TYPED on the forms.

The residential address line is not required to be completed unless the author is signing based on being a voter who is eligible to vote on the measure. Residential addresses will not be printed in the CVIG.

Arguments are limited to 300 words. You may refer to the section in this guide titled “Guidelines for Counting Words” for assistance on counting words. Text is printed in the CVIG in single-spaced, full-justified, standard paragraph form. Only standard bullets (•) will be printed and non-standard bullets will be changed to standard bullets. You may bold, italicize and underline text.

After the argument filing deadline, arguments chosen will be sent to opposing authors.

Arguments filed with the county elections official are confidential until after the deadline for the filing of those arguments. The next business day after the deadline, arguments may be viewed by the public or photocopies purchased.

All signatures on arguments and any other related documents must be original signatures. Faxed or photocopied signatures will not be accepted.

Notwithstanding any other provisions of the Elections Code, whenever any arguments in favor or against a measure submitted to the voters are authorized, these arguments may be withdrawn by their proponents at any time prior to and including the final date fixed for filing arguments. Arguments may be changed up until the filing deadline for the argument.

Rebuttal Arguments

In contrast to the arguments, those permitted to sign rebuttal arguments need **not** meet any criteria except that those who sign the rebuttal argument must either have signed the original argument or be authorized in writing from the authors of the argument to sign the rebuttal argument. The written authorization allowing a person to sign a rebuttal argument must be filed at the time of filing the rebuttal argument. You may use the form titled “Rebuttal Signer Authorization” in this guide to authorize a different author to sign a rebuttal argument.

Rebuttal arguments will be printed in the Voter Information Pamphlet portion of the sample ballot. The deadline for submission of rebuttal arguments to the City Clerk’s Office is Friday, August 7, 2020 at 5:00 PM.

All rebuttal arguments shall be accompanied by the following form statement, to be signed by each author of the rebuttal argument:

“The undersigned author(s) of the rebuttal to the argument **(in favor of or against)** ballot Measure **(letter)** at the **(title of election)** election for the **(name of jurisdiction)** to be held on **(election date)** hereby state that such argument is true and correct to the best of **(his/her/their)** knowledge and belief.”

Signature _____ Date _____

No more than five author signatures shall be accepted on a rebuttal argument. Authors can sign on separate pages as long as the above required wording is on each page that an author signs. If you have authors sign on separate pages, number the names in the order they are to appear.

An author’s name will appear in the CVIG **exactly** as submitted on the signature line. Therefore, the “Print Name as Signature” line must match the signature line. Only the author’s name will be printed on the name line. Titles, such as, Mr., Mrs., Dr., M.B.A., etc. may be included on the title line. Again, we will print the author’s name and title **exactly** as submitted, therefore, you may want to spell out abbreviated words and add proper punctuation. Author names and titles must be TYPED on the forms.

All signatures on rebuttal arguments, authorizations or any other related documents must be original signatures. Faxed or photocopied signatures will not be accepted.

Rebuttal arguments are limited to 250 words. You may refer to the section in this guide titled “Guidelines for Counting Words” for assistance on counting words. Text is printed in the CVIGt in single-spaced, full-justified, standard paragraph form. Only standard bullets (●) will be printed and non-standard bullets will be changed to standard bullets. You may bold, italicize and underline text.

Rebuttal arguments filed with the City elections official are confidential until after the deadline for the filing of those rebuttal arguments. The next business day after the deadline, rebuttal arguments may be viewed by the public or photocopies purchased.

Formatting of Measure Documents

The Office of the Registrar of Voters uses standard typefaces, font sizes, headers and bullets in all measure related documents. In addition, measure related documents use the following formatting standards: 1) indent increments will be set at 0.25”, 2) spacing will be standardized to language-appropriate number of spaces following periods, colons, commas, and semicolons, 3) tabs will be used for numbered and/or bulleted indented text, and 4) signers will be formatted

as conformed signatures with titles below the name. All submitted measure related documents will be formatted to the prescribed standards.

Legal Examination and Writ of Mandates

The elections official shall make the arguments and rebuttal arguments available for public examination for a period of 10 calendar days immediately following the filing deadline for submission of those documents.

Pursuant to Elections Code Section 13314:

- 1) Any elector may seek a writ of mandate alleging that an error or omission has occurred, or is about to occur, in the placing of any name on, or in the printing of, a ballot, sample ballot, voter pamphlet, or other official matter, or that any neglect of duty has occurred, or is about to occur.
- 2) A peremptory writ of mandate shall issue only upon proof of both of the following: (A) that the error, omission, or neglect is in violation of this code or the Constitution, and (B) that issuance of the writ will not substantially interfere with the conduct of the election.

Any person desiring to file an ex parte application for a writ of mandate may wish to consult the California Rules of Court, Rules 3.1200 through 3.1207, in addition to any other relevant rules or statutes, for the proper procedure. The California Rules of Court may be located online at the California Judicial Council's website: <http://www.courts.ca.gov/>.

Ex parte applications in Santa Clara County are heard at 8:15 a.m., Monday – Friday, at the Santa Clara County Superior Court located at 191 N. First Street, San Jose.

Fair Political Practices Commission (FPPC) Financial Compliance and Forms

There are various financial forms that are required to be filed in connection with a measure committee. You may obtain the necessary forms and manuals at the City Clerk's Office or on the Fair Political Practices Commission (FPPC) website at www.fppc.ca.gov. The City Clerk's Office is your local filing officer. Additional information may be sought by calling the Fair Political Practices Commission at 866-ASK-FPPC.

Measure Letter Designations

Local measures shall be designated by a letter selected by the Registrar of Voters. The Registrar of Voters will assign the measure letters based on the sequential filing order of the resolutions in the following district order: Statewide, Countywide, Cities, County Board of Education, College, Unified Schools, High Schools, Elementary Schools and Special Districts. This selection is completed after the 88-day resolution deadline. In order to allow for the most efficient use of space, the county elections official may vary the order of the measures. The letter designation will be printed on the left margin of the square containing the abbreviated statement, commencing with the letter "A" and continuing in alphabetical order, one letter for each of the measures appearing on the ballot.

Pursuant to Registrar of Voters' policy, in the event that a measure proponent or district governing board believes that a specific letter designation would cause voter confusion in successive elections, the proponent or individual authorized by the district governing board may complete and submit a request or a Measure Lettering Justification Form notifying the elections official of possible voter confusion if the measure is assigned a specific letter. The request must conform to the requirements of the Registrar of Voters' policy, including:

- Must be submitted by either the official measure proponent or the governing board of the district to which the measure relates;

- Must be received by the Registrar of Voters no later than 5:00 p.m. on the 88th day preceding the election;
- Must be signed under penalty of perjury by the individual submitting the request that the individual is the official measure proponent or authorized by the governing board of the district;
- Must identify the letter(s) that may cause voter confusion if assigned; and
- Must state the reason(s) that voter confusion could result from the letter(s) identified.

Forms received pursuant to this policy will be processed in the order in which they are received and are honored at the discretion of the Registrar of Voters. If the Registrar of Voters agrees that voter confusion could result from the measure being assigned a specific letter, then the Registrar will make a good faith effort to begin assigning measure letters with a letter other than A and continuing alphabetically such that the measure does not receive the specified letter(s). The full Registrar of Voters' policy on measure letter designations may be downloaded at <https://www.sccgov.org/sites/rov/Info/Documents/ROV%20Measure%20Letter%20Policy.pdf>.

Political Signs/Outdoor Advertising

CITY OF SANTA CLARA ORDINANCE NO. 1687 REGARDING TEMPORARY SIGNS (INCLUDING POLITICAL SIGNS)

DEFINITION

Examples of temporary signs include, but are not limited to, any sign, display board, handbill, poster, banner, pennant, streamer, whirligig, valance or advertising display constructed of paper, cloth, canvas, light fabric, cardboard, wallboard or other light materials.

LOCATION

Temporary signs are prohibited on public property and in the public right-of-way including any public building, or fences surrounding public property, sidewalk, crosswalk, curb, curbstone, fence, wall, public playground equipment and/or facilities, street lamp post, traffic light poles, guy lines, horizontal struts, City barricades, hydrant, tree, shrub, tree stake or guard, railroad trestle, pole for electric light or power or telephone or telegraph or trolley wire or upon any fixture of the fire alarm or police telegraph system, public bridge, drinking fountain, street sign or traffic sign, planter strips and in City facilities such as parks, City Hall, libraries, fire stations, and corporation yards. The public right-of-way generally extends behind the sidewalk, if one is present.

CIVIC EVENTS

Council approval is required for the hanging of banners and temporary signs on public property for civic, political, charitable, educational, religious, festivals or patriotic events.

POLITICAL SIGNS

The City has four primary concerns with respect to the placement of political signs. The City's first concern is that political signs are not placed at a location or with an attachment method which renders the sign an immediate peril to persons or property. The City's second concern is that City property is not destroyed, damaged or defaced by the placement of political signs. The City's third concern is to avoid the appearance that the City is supporting a particular candidate, proposition, measure or political message by virtue of the sign's location at a City facility. The City's fourth concern is that there be an orderly and thorough removal of political signs after the election process is completed.

DEFINITION: A "Political Sign" is a sign announcing, supporting or opposing a candidate or issue in connection with any national, state or local election. No sign permit is required for political signs.

LOCATION: Political signs may be placed on private property with the consent of the property owner provided he or she does not obstruct either vehicular or pedestrian traffic.

SIZE: The maximum display area for a political sign is sixteen (16) square feet per sign face. There is no limit on the number of signs placed on a parcel.

DURATION: No political sign may be erected or maintained more than ninety (90) days prior to the day of the pertinent election (August 5, 2020). All signs are to be removed within ten (10) days (November 13, 2020) after the election. In the event that the election is a primary election, the successful candidates for the later election may leave their signs in place to be removed within ten (10) days after the general or run-off election.

REMOVAL PROCEDURES

Any sign which is posted in violation of the Ordinance shall be subject to removal by the candidate, property owner, or people advocating the vote inscribed on the sign and may be removed without notice by a City employee or authorized volunteer. The person responsible for any such illegal posting shall be liable for the cost incurred in the removal thereof. Any removed sign shall be stored for a period of ten (10) days and may be retrieved after payment of the actual cost of the sign removal.

Guide for Counting Words

The following guidelines are for computing the word count for arguments. The author's titles and signatures are not counted in the word count, only the text. Punctuation does **not** count as a word. The Elections Official will make final determination of the word count.

MEASURE LETTERING JUSTIFICATION FORM

Effective May 24, 2016, Santa Clara County Registrar of Voters policy allows measure proponents and governing boards of districts to request that the Registrar of Voters (ROV) begin assigning measure letter designations with a letter other than "A" as permitted by California Elections Code section 13116(b) to avoid voter confusion in successive elections. Requests may be made to the ROV to begin assigning letter designations with a letter other than "A" in the event that the anticipated letter designation for a measure is likely to cause voter confusion in the manner described above. This form is designed to fulfill the requirements of the policy.

Pursuant to ROV policy, any such request must be in writing, and:

- Be made by either the official measure proponent, or the governing board of the district to which the measure relates;
- Be received by the ROV no later than 5:00 p.m. the 88th day preceding the election during which the measure will appear on the ballot; and
- Can be made by completing and signing the below form (or else provide separate signed correspondence including language substantially similar to the following):

I, the undersigned, hereby request that the County of Santa Clara Registrar of Voters invoke section 13116, subsection (b), of the California Elections Code, and begin assigning measure letter designations with a letter other than "A" to avoid voter confusion. Voter confusion could arise if:

[Insert title of measure] _____ is assigned letter
[Insert letter(s) causing confusion] _____ because, [Explain reason(s) for why assigning the
indicated letter(s) would cause voter confusion; attach a separate sheet if needed]: _____

I understand the ROV will only consider this request if all other paperwork and documentation necessary for the relevant measure to appear on the ballot has been submitted to and received by the ROV by no later than 5:00 p.m. the 88th day prior to the election on the above ballot measure(s). The ROV shall have the sole discretion to determine whether a request may be accommodated under the Cal. Elections Code, and to determine the outcome when multiple requests are made for the ROV to begin measure lettering after "A."

I hereby sign under penalty of perjury that by making this request, I am the official measure proponent, or that I am authorized to make this request by the district to which the measure relates.
