City Council to Set 2020 Priorities

It’s almost time for the City of Santa Clara to take stock of this past year and consider making goals for the next one. The community is welcome to join in on Jan. 30 and Jan. 31 as the City Council, in discussion with top staffers, sets priorities for what promises to be a busy 2020. The Council will meet in the Redwood Room at the Central Park Library, 2635 Homestead Road, starting at approximately 9 a.m. each day (times subject to change). The sessions will also be livestreamed on the City’s Facebook page and posted on the City website. For the latest information, visit SantaClaraCA.gov/CouncilGoals or call the City Manager’s Office at 408-615-2210.

Announcing the return of Baby Lapsit for ages 0-12 months. Beginning Jan. 14 on Tuesdays at 10:30 a.m. at the Central Park Library. This interactive and educational program builds the foundation for early literacy with songs, rhymes, fingerplays, and lots of movement geared for your little one. Don’t Touch that City Street Tree!
Santa Clarans love their trees. But did you know residents and contractors are prohibited from trimming and removing City street trees? Winter storms can be rough on trees, but don’t just take matters into your own hands if branches fall or break. To report a branch down, contact the Department of Public Works at 408-615-3080 during regular business hours. To report an instance of a branch down after hours, call Police non-emergency dispatch at 408-615-5580. If the situation involves electrical wires or injuries, dial 9-1-1.
